HOW TO PAY SCHOOL FEES

1. Open **Fees** and read what is owed and when it is due.
2. Pay at the school's bank or by mobile money, as shown in the **How to pay** box.
3. **Always use your child's control number as the payment reference:** _____
4. Keep your slip or mobile money message. The school records your payment, and it appears under **Payments & receipts** with a receipt you can open.

- Check **Attendance** and **Homework** once a week, and talk to your child about them.
- Make sure the school has your correct phone number and email, so you receive its messages.
